# ABOUT US

In The Net is a new lacrosse store in San Luis Obispo. Noticing that there is no lacrosse stores and sport stores in the area have little to no gear we decided to open our own store. We have employees that have a wide variety of knowledge about the sport and are excited to share that knowledge with the community. We help customers pick out the best gear for the

level that they are at and the position they play. We want to create a store to help grow the sport in an

area where it isn't popular compared to the rest of the state. By helping supply the right gear and grow the sport we hope to get the sport into the community.

## WE OFFER LESSONS
